PROPERTY OVERVIEW

This substantial three bedroom detached bungalow presents an excellent opportunity for buyers seeking a property with scope for modernisation and enhancement, situated in a highly convenient location for both Warwick University and Tile Hill train station. The accommodation is arranged over a generous footprint, with a particularly impressive dual aspect living room measuring approximately seven metres in length, offering ample space for both relaxation and entertaining. The breakfast kitchen, which requires updating, provides a practical layout and plentiful natural light, with potential for reconfiguration to suit contemporary lifestyles. All three bedrooms are well proportioned, presenting flexibility for use as guest rooms, home offices or additional reception spaces as required. The bathroom offers further potential for refurbishment and personalisation. The property benefits from a large in and out driveway, providing comfortable off-road parking for multiple vehicles and ease of access.

Notably, there is significant potential for a loft conversion, which could create additional bedroom or living accommodation (subject to the necessary permissions and regulations), as well as scope to extend to the rear (STPP), allowing purchasers to tailor the property to their individual requirements. The bungalow's position within a popular residential area ensures excellent access to local amenities, transport links, and educational facilities, making it an ideal choice for families, professionals, or those seeking a well-located home with future development potential. With its spacious layout, desirable setting, and exciting possibilities for improvement, this property represents a rare opportunity to create a bespoke home in a sought-after location.

Viewing is by prior appointment with Xact on 01676 534 411.
